

# OEA FUND FOR CHILDREN AND PUBLIC EDUCATION NEA FUND FOR CHILDREN AND PUBLIC EDUCATION

The National Education Association Fund for Children and Public Education (NEA FCPE) and the Oklahoma Education Association Fund for Children and Public Education (OEA FCPE) collect voluntary contributions from Association members and use those contributions for political purposes including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal, or in the case of OEA FCPE state and local office. Contributions to the NEA FCPE and the OEA FCPE are voluntary and the contributor has not been directly or indirectly compensated or reimbursed for the contribution. Making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although the NEA FCPE requests an annual contribution of \$15.00, this is only a suggestion. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without affecting his or her membership status, rights, or benefits in NEA or OEA.

Contributions or gifts to the NEA FCPE and the OEA FCPE are not deductible for federal income tax purposes. Federal law requires us to use our best efforts to collect the name, mailing address, occupation, and the name of employer of individuals whose contributions aggregate in excess of \$200.00 in a calendar year. Federal law prohibits the NEA FCPE from receiving donations from persons other than members of NEA and its affiliates and their immediate families. All donations from persons other than members of NEA and its affiliates and their immediate families will be returned forthwith.
